

College of Engineering Attingal.

Notice

29/11/2020

I am glad to inform you that we are starting first year classes from 30/11/20 onwards . The first week will be an induction program. This will begin with a university-wide induction program inaugurated by the Honorable Vice Chancellor.

Details of the program are attached below.

You are requested to watch the first two days of induction program from the university facebook page <https://www.facebook.com/>

The formal inauguration of the first year course will happen on 2/12/20 . A separate mail will be sent regarding this.

Until the government permits to reopen college, classes will be held in online mode. For this we will be using Moodle platform as a learning management system. Each of you will get a login name and password soon. College will also provide an official email id to each of you.

For this all of you are requested to fill in the following survey form on or before 30/11/20 5 pm.

<https://forms.gle/>

You make contact college authorities using the following email ids

College Website

<http://ceattingal.ac.in>

Principal principal@ceattingal.ac.in

HoD EC hodec@ceattingal.ac.in

HoD CS hodcse@ceattingal.ac.in

HoD EE hodee@ceattingal.ac.in
